

Several teal-colored abstract shapes, resembling brush strokes or organic forms, are scattered across the top and left sides of the page. They vary in size and orientation, adding a dynamic, artistic feel to the layout.

Rebirth

PROCESS BOOK BY CHASEY WANG

EXPERIMENTAL MATERIALS • NARRATIVE DESIGN • BOOK DESIGN

This project explores transformation and renewal through material experimentation and book art. By using seed paper, it symbolizes sustainability, growth, and the cyclical nature of change. Through layered textures and evolving visuals, it captures the journey from loss and uncertainty to adaptation and rebirth, offering a tangible expression of emotional resilience.

AUDIENCE & CONTEXT

This project is designed for students, researchers, and artists interested in book design and material exploration. By combining storytelling with tactile experiences, it encourages reflection on personal and environmental renewal, bridging artistic expression with sustainable practices.
